

HEAT PUMPS

14 SEER | 16 SEER

OXBOX™

A TRANE® BRAND

The Oxbox line of heating and cooling products offer you flexible and affordable options for your HVAC equipment needs. Heat pumps have earned a reputation as the system of choice for mild climates. During warm weather, Oxbox operates as an air conditioner to keep you cool and comfortable. Then, when the temperatures start to drop, just switch your thermostat to keep your living space nice and toasty.
