

LGT25K54

The LGT is a highly capable garden tractor built with smart ergonomics and a powerful design. Powered by an efficient Kohler engine with full pressure lubrication, these residential side discharge tractors can be made collection or mulch capable. Other attachable accessories enhance versatility, making these tractors year-round work horses for clearing snow, raking thatch, or sweeping driveways. This model also features a hydrostatic transmission for smooth, easy operation that makes doing yardwork more enjoyable.

KOHLER COURAGE V-TWIN ENGINE

Fully pressure-lubricated, two-cylinder Kohler engine with oil pump and oil filter. Powerful and quiet.

HYDROSTATIC TRANSMISSION

Easy speed and direction control with a fender mounted lever.

FENDER-MOUNTED CUTTING HEIGHT ADJUSTMENT

Easy accessible cutting height adjustment for improved ergonomics. The spring-assisted cutting deck makes adjustment easier.

YEAR-ROUND USE

A wide range of accessories makes our tractors versatile and useful all year round. They can be fitted with trailers, snow blades, brushes and more.

Features

- Step-through for easy mounting
- Air Induction; excellent cutting performance
- Cast front axle for superior stability
- Hour meter with service minder

TECHNICAL DATA	
Engine manufacturer	Kohler
Engine type	Courage V-Twin OHV
Horsepower	25 hp
Cylinders	2
Fuel tank volume	4 gal. / 15.14 lit
Fuel tank location	Rear
Engine lubrication type	Full pressure
