

COMMERCIAL & HOME MAINTENANCE

Airless Paint Sprayer

PS240C/PS240F

EASY to MAINTAIN

Diaphragm Pump with long life cartridge valves make maintenance quick and easy. Comes with solid aluminum block construction with high quality brass fittings and a lifetime warranty on diaphragm.

EASY to CONTROL

Ergonomic spray gun built with Quadraflow tip for precise spray pattern, less clogging and less overspray. Contractor tested for comfortable, long term use. Includes spray gun with .015 in. (0,38 mm) tip and 50 ft. (15,24 m) high pressure airless hose.

EASY to START

Flexible suction assembly, is equipped with prime booster to get started quickly. Bucket hook - works with 1 or 5 gallon (4 or 19 liter) bucket. Large suction filter extends valve and tip life.

EASY to USE

TEFC electric motor includes totally enclosed fan cooled design for safe operation. Power to spray a variety of coatings: oil-based stain, latex, oil-based paint. Lifetime Warranty.

EASY to MOVE

Heavy-duty welded frame and semi-pneumatic wheels designed for easy portability. Handle folds down for compact storage.
