

COMMERCIAL & HOME MAINTENANCE Airless Paint Sprayer

PS270D

Versatile on JOBSITE

Runs 2 spray guns at same time, great efficiency and saves time! Includes hose adapter for two gun operation. Runs all architectural paints. (excludes elastomerics and textured paints)

EASY to CONTROL

Professional spray gun with Quadraflow tip for precise spray pattern, less clogging and less overspray. Contractor tested for comfortable, long term use. Includes spray gun with .017 in. (0,43 mm) tip with swivel, 50 ft. (15,24 m) high pressure airless hose, and 5ft. (1,5m) whip hose.

EASY to START

Flexible suction assembly is solvent resistant and equipped with prime booster to get started quickly. Works with 1 or 5 gallon (4 or 19 liter) buckets.

EASY to MAINTAIN

Diaphragm Pump with long life cartridge valves make maintenance quick and easy. Comes with solid aluminum block construction with high quality brass fittings and a lifetime warranty on diaphragm.

EASY to MOVE

Heavy-duty steel frame with pneumatic wheels designed for easy portability. Integrated rack easily manages 100ft. of hose. Handle folds down for compact storage.

EASY to USE

1 HP TEFC electric motor includes totally enclosed fan cooled design for safe operation. Power to spray a variety of coatings: oil-based stain, latex, oil-based paint. Lifetime Warranty on motor.
