Meet your Smart Doorbell Camera.

What else is in the box?

Wedge

Backplate & Security screw (pre-attached)

Hardware envelope

Chime adapter*

***Battery:** The lithium-polymer battery used in the Chime adapter can cause injury if damaged. Do not attempt to remove, open, crush, puncture, heat or burn the battery.

Installation starts with the ecobee app.

Our in-app step-by-step install guide makes it easy.

1 Open or download the ecobee app

2 Sign in or create your account

3 Select the  icon in the top corner to add a device, then follow the steps in the app to install

For help, visit ecobee.com/get-help or find support in your account at the top corner in the app.

Adding as a HomeKit accessory?

Add your new device to the Apple Home app and scan this HomeKit code when prompted.

Approvals

This product was designed and built in accordance to RoHS directive 2011/65/EC and contains no hazardous substances as defined by this directive.

FCC Compliance Statement | Compliance Notice:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of FCC rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

Change or modifications that are not expressly approved by the manufacturer could void the user's authority to operate the equipment.

RF Exposure Information:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. In order to avoid the possibility of exceeding the FCC radio frequency exposure limits, human proximity to the antenna shall not be less than 8 inches during normal operation.

Innovation, Science and Economic Development Canada (ISED) | Compliance Notice:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

RF Exposure Statement:

This equipment complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment. This transmitter must be installed to provide a separation distance of at least 8 inches from all persons and must not be collocated or operating in conjunction with any other antenna or transmitter.

FCC ID: WR932181716523 IC: 7981A-32181716523
Model: EB-CAMSDB-01

Warning: Changes or modifications not expressly approved by ecobee Inc. could void the user's authority to operate the equipment. This product is designed for use outdoors. Improper installation may void warranty. Not for children under 3 years.

Legal Notice

Use of the Works with Apple badge means that an accessory has been designed to work specifically with the technology identified in the badge and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards.
