MARKET-LEADING FEATURES

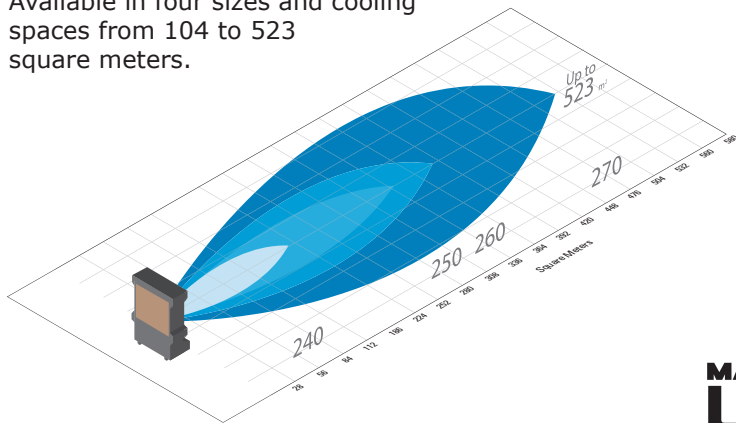

KUUL Comfort™ evaporative media

KUUL Comfort™ evaporative media is the only evaporative cooling media manufactured in the USA. It is designed to the exact performance requirements of Portacool portable evaporative coolers.

Flexible cooling for any location

Available in four sizes and cooling spaces from 104 to 523 square meters.

Liquid level indicator/pump shut off

The liquid level indicator provides high-reliability monitoring of the water level in the tank. When the water level drops to a certain point, the pump will automatically shut off and a red LED light will illuminate.

Other features

- Four heavy duty casters
- Intuitive control panel
- Built in handles for easy mobility
- Five centimeter drain for convenient flushing and cleaning
