---------------------------	-------------

---

<b>Discharge Port Diameter</b>	2 In. Npt
--------------------------------	-----------

---

<b>Displacement</b>	212cc
---------------------	-------

---

<b>Dry Weight</b>	83.6 Lbs
-------------------	----------

---

<b>Engine</b>	Dh212
---------------	-------

---

<b>Engine Brand</b>	Powerhorse
---------------------	------------

---

<b>Fuel Capacity for Burner</b>	2.9 Gal.
---------------------------------	----------

---

<b>Impeller</b>	Cast Iron
-----------------	-----------

---

<b>Mechanical Seal (Pump Case/Impeller)</b>	Silicone Carbide
---	------------------

---

<b>Motor Power</b>	6 Hp
--------------------	------

---

<b>Pressure</b>	42 Psi
-----------------	--------

---

---

<b>Pump Type</b>	Full Trash
<b>Run Time</b>	8 Hrs
<b>SKU</b>	750126.POW
<b>Solids Handling</b>	3/4 In.
<b>Suction Head Lift</b>	26 Ft.
<b>Suction Port Diameter</b>	2 In. Npt
<b>Total Head Lift</b>	98 Ft.
